

UNITED

FRESH POTATO GROWERS OF COLORADO

April 7, 2006

Dwight Freeman, CEO

Fresh Facts

Editor: Lyla Davis

Volume 1 No. 13

The PACA speaker, Mary Kondora, an Investigator with the USDA/PACA (Perishable Agricultural Commodities Act), will be at the CPAC office, Tuesday, April 11 at 7:00 p.m.

This presentation is open to all bulk shippers, warehouse owners and warehouse shippers.

Have you read the April issue of Spudman?

Turn to page 9 and read about United Potato Growers of Canada

The center two- page spread interviews Albert Wada and Julia Cissel

(A United Front US Potato Cooperative Marks One-Year Anniversary")

There is a full page column, open letter by Albert Wada ("United is Beneficial to All")

Spudman is also running a reader survey about UNITED,

"Have you seen an increase in your profits since United Potato Growers of America was formed?"

Email your response to editor@spudman.com or visit www.spudman.com to vote.

Did you miss an issue of "Fresh Facts"? Our website now has all the issues of "Fresh Facts" in the newsletter library. The acreage contract is also available on the web site. If you have yet to submit your information, give Dwight a call at 852.2144 so he can work with you.

While you are visiting the web site, look at the information on the bulk prices. All members are welcome to listen in on the local shipper's weekly conference call. Contact Dwight for more information.
