### ATTENTION GROWERS:

The UNITED of Colorado annual meeting will be held Tuesday, May 30, 2006, at 7:00 p.m. at the Movie Manor Restaurant. Please use the bar/lounge entrance.

-  If you can not attend, please let Dwight or Lyla know so that you are informed on the topics discussed.
-  If you have questions you would like answered at the annual meeting, please send them to [info@unitedpotatoco.com](mailto:info@unitedpotatoco.com). We would like to compose a list of questions prior to the meeting to be answered for the entire membership. All questions will be anonymous. We appreciate all suggestions and comments.

The April newsletter printed by UNITED of America will be mailed soon.

According to a Spudman reader survey, 85% of all respondents said they have seen an increase in their profits since UNITED Potato Growers of America was formed.

Have you visited the local web site lately? Chuck Howey has updated the site to reflect the latest happenings with UNITED. [www.unitedpotatoco.com](http://www.unitedpotatoco.com)

Planting less means more!

Trend line potato yields are increasing one percent each year, which is an average increase of 3.7 hundredweight per acre

Indicators suggest growers should reduce acreage more than 10 percent to offset the probable increases in yield and the likely decrease in demand.
